Spring 2012 Semester Registration Information

Semester Course Schedule

The Spring 2012 semester begins January 30, 2012; classes end May 11. This semester, two vacation periods are scheduled. See calendar on page 6.

Registration

The tuition for full-time enrollment is **\$3,000**. This includes 4 or more courses plus one PT 111 or one PT 211, but not PT 490 Referral Service semiannual lab fee. The minimum tuition for students in their first or second semester is **\$750**. This amount covers one course and GT 190 but does not include the \$100 registration fee. The minimum tuition for Level 1 students (Matriculants) and Level 2 students (Certificate Candidates) is **\$1,500**. This amount covers one or two courses and GT 190 but excludes clinical supervision (PT 111, PT 211, or PT 611), the \$100 registration fee, and the PT 490 Referral Service Semiannual Lab Fee. The minimum tuition for Level 3 students (Research Candidates) is \$1150. This amount does not cover clinical supervision (PT 311, PT 411, or PT 611), the \$100 registration fee, or the PT 490 Referral Service Semiannual Lab Fee.

Students confer with their Advisors or Fellows during the registration process since **completion of registration is contingent upon having obtained the Advisor's signature and upon submitting the PT 7 form signed by the approved training analyst**. The Referral Service Fellow acts as academic advisor for Level 2 and 3 candidates.

A **\$100 late fee** will be charged for tuition received **after January 20, 2012**. Payment of *only* the \$100 registration fee on or before **January 20, 2012** does not cancel this fee. Students use the registration form to indicate the courses they wish to take, giving at least 2 choices for PT 111/211 and including the name of their PT 7 analyst. Candidates who are in approved PT 311/411 indicate the name of the supervisor(s). PT 611, arranged through the Registrar, is provided as an option for Certificate and Research Candidates concurrently in PT 311 who need additional supervision as determined in discussion with the fellow.

Students in good standing who meet the PT 7 Training Analysis requirement submit their advisor-approved registration forms indicating current home, cell, and office telephone numbers, email address, and any address changes, along with all tuition checks, to the CMPS registrar.

Registration forms are processed only if tuition and the completed PT 7 form are included, and if all materials have been returned to the library. Certificate and Research Candidates must be current with their monthly room reports. Class and supervisory sections are confirmed upon receipt of tuition. Students are advised to register as soon as possible to ensure that they receive their course selections and to avoid the \$100 late fee (for registrations received after **January 20, 2012**).

The \$100 registration fee covers library services, journal subscription, Center ID card, and all Center mailings.

Spring 2012 Tuition Payment Program

The Center has a deferred payment program to assist those students who would find such a plan helpful. Students may make up to **three approximately equal tuition payments**. The amount of each check must be **at least \$200, with the last dollar digit ending in a "0" or a "5."** The first check is to be dated when the registration form is returned to the Registrar's office. The second and third checks are to be dated March 1, 2012, and April 1, 2012. The processing fee is \$30.00 for this three-check option. There is also a two-check option which costs \$15.00, where the first check is dated when the registration form is returned and the second check is dated March 1, 2012. **All checks must accompany the registration form, including the post-dated checks.**

PT 7/ PT 8 Analyst Statement

Included with the registration material is a PT 7 /PT 8 analyst's statement. The form, signed by the training analyst(s) and returned with the registration form every semester, confirms that the student is in the required weekly analysis.

Field Placement Program

Level 1 students (Matriculants) consult their advisors and the Field Placement manual for instructions about the appropriate sequence of courses for the beginning of their Clinical Studies sequence.

Referral Service: Certificate Candidacy and Research Candidacy

Referral Service candidates consult their Fellows and the Referral Service manual for instructions about the appropriate sequence of courses. Candidates assigned Center referrals have their cases supervised in PT 211 or PT 311, PT 411 (when appropriate), and, if needed, PT 611. When registering for PT 211, select 2 different sections in order of preference.

Referral Service candidates register for PT 490 Referral Service Lab. The Referral Service Lab fee is divided into two semiannual payments of \$475 for first year students, and two semiannual payments of \$525 beginning with the second year. The fee covers room use for five scheduled referrals, weekly consultation with the Fellow, and telephone answering service. Candidates who wish to treat more than 3 patients may ask their fellows to assign them additional cases.

PT 140 Socio-Cultural Influences on Maturation & Psychopathology offered this semester

Mr. Richard Sacks, the instructor for PT 140 Socio-Cultural Influences on Maturation & Psychopathology, reports that his course this spring will be subtitled "Sexual Identity and the Media: from Freud to Gaga". Through film, TV, and other media, the class will examine current thinking on sexual identity and explore the role of society and culture—along with the drives—in determining our sexual selves. Students at all levels are invited.

Curriculum for Research Candidates

Until their final semester, Research Candidates pay a minimum total in tuition and fees of \$1775 per semester: \$750 for PT 527, \$400 for PT 2612 or PT 210, \$525 for PT 490 Referral Service Semiannual Lab Fee, and \$100 for the registration fee.

When the Research Supervisor determines that the final paper is ready for approval, the Research Candidate pays the **Research Reading Fee of \$390**. This covers the cost of final approval of the paper by the second and third readers, two members of the Research Committee other than the Research Supervisor.

Leave of Absence

Students who are unable to register for the semester but who wish to maintain their enrolled status write a letter requesting a leave of absence to the Director of Advisement explaining why they are electing to take a leave. They mark "*Maintaining Matriculation*" on the registration form and return it with the \$100.00 Maintaining Matriculation fee. Maintaining Matriculation will ensure all Center mailings, journal, and library use. Students on leave of absence continue in PT 7.

Work/Study Program

The Center offers a number of Work/Study internships. Students wishing tuition assistance and who will be available for 4 -10 hours per week during the Spring semester may apply for a Work/Study internship with the Director, Mr. Lieber. Areas available will be: Referral Service, library, office work, and computer website assistance. Candidates are paid at an hourly rate. Up to 50% tuition remission can be awarded depending on the skills necessary to fulfill the Work/Study requirements.

Assigned Readings and Library Copier Access

Many classes have a reading assigned for the first class meeting. Please check the reading list for the classes for which you have registered so you can be prepared for the first class.

The library has two copiers for student use. Copies (and prints) cost 10¢ each. Students establish an account and set up a numerical password with the librarian in order to use the machines.
